

# Suggestion Awards Go to 5 at Arsenal

Suggestion awards totaling \$120 were presented recently to five Joliet Arsenal employes by Col. Ronald B. Currens, Commanding Officer, Joliet Arsenal.

John R. King received an award for his suggestion relative to a multiple locking device for the operating lines. King is an employe of the R & U Division and has been in such employment for a number of years. He is a resident of Joliet.

**MARVIN WEIBEL** of the R & U Division received an award for his

suggestion relative to an improvement of railroad warning signs. Mr. Weibel has been employed at the Arsenal since January, 1947. He is a resident of Wilmington.

John Fleming received an award relative to painting in the igloos, which provides better lighting for employes working in such areas. Mr. Fleming is employed in the Surveillance Branch and has been in such employment since February, 1948. He is a resident of Joliet.

**H. J. SCHELLING** of the Intelligence Branch received an award for his suggestion relative to an improvement in the parking lot at the Personnel Building. Mr. Schelling has been employed at the Arsenal since March, 1951. He is a resident of Joliet.

John Mathewson received an award for his suggestion of a de-

vice for protection of roofs while repairing same. Mr. Mathewson has been employed in the R & U Division at the Arsenal since August, 1949. He is a resident of Channahon.
